Enterprise

Fishtrap Inc, \$8,000

FY07 Cultural Development Grant: To support the “export” of Fishtrap’s successful Writer in Residence (WIR) program to three other rural eastern Oregon communities (in Upper Klamath Basin, Harney County, Fossil/Condon), all of which have formed organizing committees and demonstrated local support/interest. The project will place one WIR in each community for 9 weeks to teach in the schools, lead evening workshops, and give public readings. Fishtrap will increase its capacity to attract audiences from the region, will improve its ability to provide writers with opportunities to read and teach their craft, and expand its capacity to deliver programs to a wider audience.
