FY06 Cultural Development Grant: To support the preparation of a restoration and preservation plan for the 1880's era Peter French P Ranch Long Barn in the Malheur National Wildlife Refuge. This is the only remaining structure of the cattle empire managed by Peter French. The barn was listed on the National Register of Historic Places in 1979. Planning will include scale drawings, construction detail, stabilization requirements, and restoration assessment by a preservationist engineer and construction professionals.
