Aurora

Aurora Colony Historical Society & Museum, \$4,000

FY07 Cultural Development Grant: To support a complete inventory of the Colony's music collection.

Funds will help the organization authenticate, document and digitize its library of original music using the "Finale" music notation program, which is the industry standard program for such work.

Compositions will also be analyzed for themes in form, harmony, counterpoint and other compositional and stylistic devices.

Stayton

Santiam Heritage Foundation Inc, \$5,000

FY07 Cultural Development Grant: To support window and door replacement and restoration on the historic 1903 era Queen Anne style Charles and Martha Brown house—Stayton's only National Historic Register property. Funds will allow for repair on original doors and windows, including re-glazing with donated antique glass and the installation of original profile siding. Completion of this phase of the project will allow the foundation to begin interior work on the property for use as a community cultural center. All restoration will follow Secretary of Interior guidelines for historic preservation.
