About the Career Opportunity Program

Purpose
The purpose of the Career Opportunity Program is to support individual Oregon artists by enabling them to take advantage of timely external opportunities to enhance their artistic careers. An external opportunity is an activity the artist was invited to or otherwise reviewed by peers or industry to receive.

The Program recognizes and supports artists from the specific artistic disciplines listed below, as long as all eligibility requirements are met and applications are recommended for funding. Artistic disciplines supported: Literature (creative non-fiction, fiction, play writing and poetry); Dance (including choreography); Music composition and music performance; Theatre and Performance Art; Visual Arts (crafts, drawing, painting, photography, printmaking, sculpture, mixed media and new media); Design Arts; and Media Arts. If your project falls outside one of the listed discipline categories, please contact eleanor.sandys@oregon.gov to discuss.

Artists from underserved communities, including (but not limited to) rural communities and communities of color, are especially encouraged to apply.

All components requests should directly align to the opportunity, and may include
- Travel associated with an external opportunity (i.e. performance, exhibition, or residency, etc.);
- Preparation, freight and or shipping costs for materials to support an external opportunity;
- Materials to complete work scheduled for a gallery exhibition, performance or publication;
• Expenses associated with an exceptional learning environment, such as residency, or intensive study with a recognized master/mentor. Note: degree bearing programs are not eligible;
• Professional fees and services to support or document an activity, such as a videographer; and
• Rental fees, including fees for equipment, instruments or facility that are integral to an external opportunity.

Award Amounts
Awards range from $500 to $1,500 depending on the scope and nature of the opportunity. (Applicants may apply for funding for a portion of an opportunity.) Additional funding of up to $9,000 may be available from The Ford Family Foundation for established visual artists.

The Arts Commission determines awards based on peer panel review, number of applications and available grant funds. There are limited resources and all applicants may not receive funding.

Payment Schedule
Grant awards will not be paid out until after the start of the activity period. Applicants should plan accordingly.

Additional Funding
The Ford Family Foundation, in partnership with the Oregon Arts Commission, provides additional resources to established Oregon visual artists who have an unanticipated major career-enhancing opportunity. This support will fund activities that provide an opportunity to aid in significantly advancing the exploration, creation, production or exhibition of an established visual artist’s work.

Requirements and Limitations
There is no match required for Career Opportunity Program awards. However, if you are requesting additional funds from The Ford Family Foundation you must contribute some portion of your own resources to the activity and indicate so in the application’s budget revenue section.

Deadline
All applications must be submitted through our online portal: https://oregon4biz.force.com/OAC/s/login/ no later than 5:00 pm on the deadline date to receive consideration for review. The Arts Commission is not responsible for late applications and cannot guarantee processing of applications submitted after the published deadline.
Eligibility
The Arts Commission has final determination on eligibility. The Arts Commission may review eligibility at any time and request more information as necessary.

At the time of the application deadline, all applicants must:
- Be 18 years of age or older;
- Have not received funding from the Oregon Arts Commission’s Career Opportunity Program in the past 16 months, calculated from application deadline month to application deadline month;
- Have been domiciled in Oregon for at least one year (domicile is a person’s fixed, permanent and principal home for legal purposes);
- Not be enrolled in a creative degree-bearing program either part-time or full-time; and
- Submit an individual application. While the Arts Commission acknowledges many artists work collaboratively, awards will be made only to individual artists.

In addition to the eligibility requirements listed above, applicants seeking additional funding from The Ford Family Foundation’s Career Opportunity Funding must be established practicing Oregon visual artists who meet the following criteria:
- Are currently producing work in the fields of visual arts or contemporary craft (Arts Commission Project Discipline codes 05, 07 and 08);
- Domiciled in Oregon for 36 months prior to the application deadline; and
- Have evidenced, through appropriate documentation, five (5) or more years of active professional participation in the field of visual art.

For more information about The Ford Family Foundation’s Visual Arts Program Career Opportunity Funding, please visit http://www.tfff.org/what-we-do/successful-citizens/visual-arts.

Limitations
Career Opportunity Program funds may not be used for the following:
- Reimbursement of expenses paid outside the activity dates.
- The applicant’s own artistic fees, wages or stipends.

How Applications are Reviewed
Arts Commission staff reviews submitted applications for eligibility, completeness and accuracy. Applications that meet program requirements are accepted for further review. Applications are then reviewed by a panel of professionals with experience in the arts and other fields relevant to the grant program. The Arts Commission considers panel recommendations for funding and determines final award amounts. The Ford Family Foundation also considers panel recommendations in determining final Foundation award amounts.

Membership on review panels changes every year, so applicants should not assume that panelists have any prior knowledge of their work. Applicants who would like to nominate a
panelist for consideration to review applications may do so by filling out the nomination form at https://www.oregonartscommission.org/sites/default/files/publication_or_resource/resource_file/Panelist%20Nomination%20Form.pdf.
