**Eligibility Waiver**
Organizations considering an Eligibility Waiver should first contact arts.grants@biz.oregon.gov to review organization's likelihood of receiving a waiver.

Arts organizations housed in a parent organization (municipal government, higher education, or one of the nine federally recognized Tribes) may apply for an exemption to the eligibility requirements related to IRS and State of Oregon nonprofit status. Organizations applying for this waiver must:

• Operate within a mission that describes the arts as the primary purpose of the organization - arts programming must be the primary focus;
• Demonstrate a significant history of providing access to the arts serving the local community (at least four instances over the past 12 months);
• Have been in existence as an agency of local government for a minimum of two years;
• Show a distinct budget of less than $150,000 in cash operating expenses for the most recently completed fiscal year; and
• Maintain a separate art advisory committee or board.

To submit a waiver: Applicant must send an email to Arts.Grants@biz.oregon.gov at least one month prior to the application deadline to request a waiver review. Please include the following materials: Contact information for applicant organization (name, contact person, mailing address, phone, email, URL); Parent Organization Name; Parent Organization EIN; Statement from parent organization authorizing waiver submission; List of applicant governing body or advisory board members and affiliations; Applicant mission statement; Evidence of on-going public programming (at least four instances annually vis sources such as website links, scanned brochures, newsletters, programs, news releases or calendar of events); and Applicant Budget (IRS 990 or postcard, Board or Committee Approved Financials or budget signed by the City or County Manager).

If granted, waivers are valid for up to five years from the grant application deadline, assuming all other eligibility criteria are still met and maintained.

**Limitations**
Small Operating Support funds may not be used for the following:

• Activities that take place outside the grant’s defined activity dates.
